How we work...

We influence and impact.

"The 4 pillars of life: Relationships, Health, Work and Provider-ship, Emotional and Spiritual Development." We

accomplish this through our eclectic approach to mental health:

Candid dialogues with our Safe Place sessions, experiential skills, and development, along with spirit, mind, and body practices. Participate in our 9-week program starting in the first quarter of the year. Learn more about this commitment and be the first to apply for one of the 13 grants available. [Click Here](#)
